RED ONLY CELLARMASTER ~ SPRING 2024

Whether you're barbecuing, picnicking or entertaining, the versatile wines in this selection will certainly fit the bill!

REPERTOIRE

Price: \$29 . Club Price: \$23.20

This newest bottling of Chuck's popular red table wine is a blend of 16 different grapes across multiple vintages. Why?! Because Repertoire is made in the solera method which involves the continuous (and judicious!) blending of older and younger barrels of wine. This process yields a fully mature, ready to drink, crowd pleasing wine!

The top four (in order of percentage) varieties in this bottling are Syrah, Petite Sirah, Tempranillo and Petite Verdot. With ripe berry flavors, dark stone fruit soft and hint of barrel spice, this wine is a match for burgers, spaghetti and meatballs or grilled vegetables.

2021 BARLOGIO ZINFANDEL

Retail Price: \$33 . Club Price: \$26.40

Harmony Zinfandels are aged in neutral oak barrels to highlight the intense berry fruit characteristic of this grape. This vintage boasts ultra-ripe briary berry aromas and flavors. Hints of pepper complement the red berry fruit while soft, velvety tannins lead to a lengthy, rich finish. Pair with barbecued meats, lasagna or sweet and sour spareribs. For a treat, pair our Zinfandel with dark chocolate & our recipe for **Balsamic Strawberries**.

2021 SANGIOVESE

Price: \$35 . Club Price: \$28

Wine tidbit: Did you know that Sangiovese is the main variety in Chianti? Red berry flavors, bright acidity and kiss of vanilla make this wine a great partner to pizza, charcuterie platters or grilled sausages.

***Will Call Members may receive a 2017 SANGIOVESE.**
